I support a CHANGE IN ALP POLICY compatible with the policy objectives below

1. All asylum seekers to be treated with compassion, justice and in accordance with Australia's international obligations.
2. The right of all onshore asylum seekers to have their status as refugees assessed on Australian soil, under the Australian legal system.
3. Asylum seekers to be accommodated in government run and urban-based reception centres. When a formal application for Refugee status has been made and security, health and identity checks are complete, asylum seekers are free to move out of reception centres and to stay in supportive communities. The time in detention not to exceed 30 days without judicial review and the right of appeal.
